DISTRICT NEWS

Return to School Note for Influenza (flu) Like Illness:

During a pandemic period when increased illness may be occurring, school procedures requiring doctor’s notes for influenza-like-illness can place an inappropriate burden on the local healthcare system. The Health Department and the County Superintendent of Schools Office are strongly recommending that all school districts in Hunterdon County use the attached Return to School Note for Influenza (Flu) Like Illness. Having a parent/guardian sign the attached note instead of a note from the doctor, which also requires verification from the school nurse, will eliminate an undue burden on health care providers and help assure that returning students meet CDC recommendations. Your use of this note will contribute to providing a healthier learning environment and to keep healthcare resources available to those who are seriously ill.

Reminder: When calling a child out sick please include the child’s symptoms and whether the child has a fever.
