

BETHLEHEM TOWNSHIP SCHOOL DISTRICT
NEWSLETTER
MONDAY, FEBRUARY 15, 2010– FRIDAY, FEBRUARY 19, 2010
<http://www.btschools.org>

Dear Parents and Guardians,

We certainly had some challenging weather this week! So far we have used 3 of our 4 allotted snow days so we have 1 left. Let's hope that we will not have anymore big snow storms!

This week Governor Christie gave his budget address. Unfortunately his plan doesn't fair well for school districts. I expect that our district will have significant cuts to our state aid for this school year. The finance committee will be meeting this week to discuss and recommend a plan to move forward.

Please remember to attend the February 23 board meeting where we will be discussing the budget and asking for your input.

Have a good weekend!

Nancy Lubarsky
Superintendent

DISTRICT NEWS

Return to School Note for Influenza (flu) Like Illness:

During a pandemic period when increased illness may be occurring, school procedures requiring doctor's notes for influenza-like-illness can place an inappropriate burden on the local healthcare system. The Health Department and the County Superintendent of Schools Office are strongly recommending that all school districts in Hunterdon County use the attached Return to School Note for Influenza (Flu) Like Illness. Having a parent/guardian sign the attached note instead of a note from the doctor, which also requires verification from the school nurse, will eliminate an undue burden on health care providers and help assure that returning students meet CDC recommendations. Your use of this note will contribute to providing a healthier learning environment and to keep healthcare resources available to those who are seriously ill.

Reminder: When calling a child out sick please include the child's symptoms and whether the child has a fever.
